Guidance issued by NHS England in February 2017 regarding NHS Conflicts of Interest outline the definition for a ‘conflict of interest’ and this may be *Actual* or *Potential*. Interests can arise in a number of different contexts and fall into the following 4 categories :

Financial interest	Non financial professional interests	Non financial personal interests	Indirect interests
Direct financial benefit from the consequences of a decision	Non financial professional benefit	Personal benefit	Close association with someone who has an interest

ALL Private Practice undertaken needs to include **Where / What / When**
