Dear

Freedom of Information Act Request

I am writing in response to your e-mail of the 10th May 2024. Your request has been processed using the Trust's procedures for the disclosure of information under the Freedom of Information Act (2000).

Requested information:

I have attached a letter of inquiry regarding a study I am completing. It would be valuable to understand if you have any psychological trauma-related or trauma-informed documents I can use for my study. This would predominantly match with policies and documents under mental health services. It would be great to hear from you if you can facilitate my request.

The Trust does not currently have any psychological trauma-related or trauma-informed documents. However, we are currently working on a number of trauma-informed pieces of work across the system.

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review of the management of your request. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to: Dr Buki Adeyemo, Chief Executive, North Staffordshire Combined Healthcare Trust, Trust Headquarters, Lawton House, Bellringer Road, Trentham, ST4 8HH. If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

Yours sincerely

Nicola Griffiths
Deputy Director of Governance
