

REGISTER OF GIFTS / HOSPITALITY and SPONSORSHIP

North Staffordshire Combined Healthcare NHS Trust

The Trust acknowledges that many patients, their carers and relatives wish to give gifts to members of staff as a token of their gratitude and that refusal of such gifts can cause offence. Gifts of cash are not accepted under any circumstances. Money should be donated to the Trust's Charitable Funds.

Under the Trust's policy personal gifts with a value of **less than £25 may be accepted**. Such acceptance does not need to be declared unless several small gifts worth a total of over £100 are received.
