Dear

Freedom of Information Act Request

I am writing in response to your e-mail of the 6th March 2026. Your request has been processed using the Trust's procedures for the disclosure of information under the Freedom of Information Act (2000).

Requested information:

This is a request under the Freedom of Information Act for hospital-level activity data within your health authority, as outlined below:

Dataset 1: ICD-10 Diagnosis Data

Please supply the following information for each hospital:

- Data from 2022 up to the latest data available, by calendar year.
- Number of cases per primary diagnosis (ICD-10 code A000 to Q999 inclusive).
- Hospital name and postcode.
- Include activity outsourced to the private sector (hospital name and postcode).

Dataset 2: OPCS Procedures/ Surgery Data

Please supply the following information for each hospital:

- Data from 2022 up to the latest data available, by calendar year.
- Number of cases per procedure/ surgery (OPCS code A000 to Z999 inclusive).
- Hospital name and postcode.
- Include activity outsourced to the private sector (hospital name and postcode).

For GDPR compliance, please replace all cases below 5 with "<5".

To minimise the workload on your side, we would be grateful if the data could be provided in a machine-readable format (for example, CSV or Excel). We kindly request that all codes are supplied to a minimum of four characters where possible. We understand that some codes are only three characters in length, so please include these where applicable.

For context of our request, we already hold comparable datasets for most European countries. This information is collected and processed for research and pharmaceutical organisations, where it is used for market analysis and clinical trial planning. We hope this explains the purpose and potential value of supplying the requested data.

This information was last provided in 2024, please let us know if any clarification is required.

Please see Appendix 1 attached.

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review of the management of your request. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to: Dr Buki Adeyemo, Chief Executive, North Staffordshire Combined Healthcare Trust, Trust Headquarters, Lawton House, Bellringer Road, Trentham, ST4 8HH. If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

Yours sincerely

Nicola Griffiths
Deputy Director of Governance
